February 13, 2009 (Tempe, AZ) – **TOM MORELLO: THE NIGHTWATCHMAN** has been added to the 2009 Circle K Tempe Music Festival. He will join 3 Doors Down, The All American Rejects, MUTEMATH and Shiny Toy Guns on Saturday, April 4. Kid Rock, Cowboy Mouth, Roger Clyne and The Peacemakers and The Outlaws will perform on Friday, April 3.

**Tom Morello** has been a rock star for more than a decade – first with Rage Against the Machine, then with Audioslave and now with a solo career with his alter ego The Nightwatchman. The Nightwatchman project originated five years ago when Morello adopted the pseudonym and began to perform new solo material at a variety of small venues around the country. In 2007, the first Nightwatchman record, One Man Revolution, was released to critical praise. The Fabled City, his second record, is more personal and less spare than its predecessor. Recently, Tom has seized the attention of the internet through the online video of his live duet with Bruce Springsteen on “The Ghost of Tom Joad” ([Click here to watch the video.](#)) He has been recognized by Rolling Stone Magazine as one of the “100 Greatest Guitar Players of All Time (#26),” and he has appeared as a playable, animated character in the immensely popular video game Guitar Hero III: Legend of Rock
